

License Agreement for the use of Alnuset

The downloaded AlNuSet 1.0 software and related documentation are licensed, not sold, by DiDiMa srl, hereafter named DiDiMa, a spin-off company of CNR. DiDiMa has acquired from CNR the rights to commercial exploitation of the AlNuSet trademark and software. The specific details of the licence are reported below.

DEFINITIONS

Software: Alnuset 1.0. **Evaluation:** Use of the software for a limited period of time before purchase of the licence. **Site:** Physical address of school, institute or legal entity.

GRANTING OF PERSONAL LICENCE

DiDiMa confers a personal licence which is non exclusive and non transferable, for installing and using the Software on a single computer. Network installation for multi-user purposes is considered an abuse that may lead to legal action and automatic withdrawing of the contract by the supplier.

GRANTING OF SITE LICENCE

Through the site licence of the Software, DiDiMa confers a licence which is non exclusive and non transferable, to install and use the Software on the PCs located on the site of the school in possession of the valid licence. The licence is only valid under the conditions applicable at the moment of acceptance of the licence for the school's official premises (main site or branch site).

The site licence assigned to the school includes the possibility to use the Software by the teachers and/or students of the school on their personal computer.

GRANTING OF EVALUATION LICENCE

In order to allow the user to evaluate the Software before purchase of a personal or site licence, it is possible to use the Software free of charge as a single user for a trial period of 30 days from the date of first use.

MANUALS

DiDiMa confers a personal, non exclusive and non transferable right to use the Software manuals. Teachers of the school site can duplicate the manuals. Copies of the manual are only for personal use by the teachers and cannot be used off the site or by third parties. In case of contract withdrawing such copies are to be destroyed

SOFTWARE INSTALLATION

The licensee is responsible for Software installation. DiDiMa will provide all information necessary to perform installation correctly.

DECLINATION OF RESPONSIBILITY

The software is provided "as-is", without guarantees of any kind. DiDiMa is not responsible for damage of any kind resulting directly or indirectly from use of the software to the user or any third party. This includes, but is not limited to, special damage caused indirectly or accidentally, even if DiDiMa is aware of the potential damages.

CONTROVERSY

This agreement is regulated by Italian law. Any controversy between the parts will be settled in a court of law with justification for the DiDiMa office.

The validity of the licence of use is subject to the electronic acceptance. Installation of use of AlNuSet implies acceptance of the terms indicated herein.
